

ANTI-AGING /REJUVENATION

progressive nonaggressive treatments with anti-aging benefits without down time - these sessions may be performed individually as an express session or with a facial - results are cumulative when performed in a series of 6 for optimal results

ultimate anti-aging treatment \$150

~ a unique combination of four (4) anti-aging treatments, microdermabrasion, micro-current, and a firming serum using galvanic current or ultra sonic technology + led light therapy treatment for regeneration will conclude this session ~

diamond microdermabrasion \$99

~ non-invasive technique that is most effective for minimizing the appearance of fine lines, scars, and wrinkles - beneficial for pore cleansing, sun damage, and uneven skin tones ~

micro current treatment \$25 w/ facial

~ often referred to as "the non-surgical face lift" this treatment improves facial tone using gentle micro-contractions to increase muscle firmness and diminishes appearance of aging ~

ultrasonic therapy \$25 w/ facial

~ uses sound waves to stimulate skin activity levels to allow for better penetration and absorption of topical applications - this treatment will improve cellular renewal, repair, and increases moisture retention while reducing swelling ~

ultrasonic exfoliation \$25 w/ facial

~ the newest way to deep cleanse pores using an ultrasound skin scrubbing spatula that smooths skin and cleanses pores, and removes dead skin cells - this process is non-invasive and may be used on the most sensitive skin ~

led light therapy \$25 w/ facial

~ speeds up healing process, stimulates cell turn over, hydrates skin, reduces inflammation, acne and sun damage ~

FOR THE BODY

massage /30 minutes \$45+

60 minutes \$70+

nourishing body treatment \$90+

~ exfoliating and then nourishing with a specialty mask, a light wrap retains heat and allows for maximum re-hydration and detoxification - the mask is then removed with steamy towels followed by body moisturizer - various flavors include: aromatherapy, green tea, seaweed and vitamin c ~

spa back treatment \$60+

~ a dual session of relaxation and revitalization, with a back treatment that includes exfoliation with a body scrub, an indulging back massage, and a specialty spa treatment mask to nourish the skin ~
in combination with a facial \$125
added to a body polish \$100

body polish \$50

~ smooth and buff away dead skin cells using various flavors such as sugar, aromatherapy, pumpkin fruit enzyme, or ahas and skin is left soft and silky ~ (45 minutes)

indulgence \$30 w/ facial or body treatment

~ a luxurious session that includes hand and foot hydrating massage with heated mitts, and a scalp massage ~

~ cash or check preferred ~ credit card upon request ... pricing subject to change ~

* A temporary hair removal system that removes hair from the root and retards the growth of the hair. Future hair is softer and finer in texture. There needs to be two weeks growth for removal. Results last 2-3 weeks. Contradictions are: extremely dry skin, retin A, renova, accutane, and some other medications or antibiotics. Do not tan for 48 hours after service.

“Beauty lies in the specific looks of a person, rather than the object, because different people feel beauty in different things.”

~ Vally
